Father is Molulmi. She was the young wife of Wakuthi Marawili. Wakuthi was one of the oldest men in Amhem land. He was known as Banbay-"blind one" because of his poor eyesight. He passed away on 2005. His sons Djambawa and Nuwandjall have a large role in the day to day management of the large Madarra clan homeland, Yilpara. Muluyumuluy has worked with them in her art as well as under Wakuthi's direction to produce important Madarra clan paintings. Her sister Mulkun Wirrpanda is also a senior artist.
