Winston Mitchell

Born 1/1/1952
Language Group
Region Papulankutja (Blackstone)

Biography

Winston was born in circa of the 1950's on country just on the other side of Mantamaru (Jameson). As a young boy Winston attended school at Warburton Mission along with many other kids from across the Ngaanyatjarra Lands. Winston is an important leader in the Papulankutja Community leading young men through law initiations and learning of relationship to others, the land and the dreamtime. Winston paints tjukurpa (dreaming stories) which cannot always reveal the whole of the story as one must be initiated to come to full realisation of the story and its significance in the past, present and future.
