

Short St. Gallery

Simone Namunjdja

Born 1996
Language Kuninjku
Region Northern Territory

Simone is part of the next generation of young Kuninjku artists. Daughter of Pamela Namunjdja, she uses a palette of black and white like other artistic family members Susan Marawarr and Carissa Gurwalwal. Working predominately in carved wooden sculptures, Namunjdja uses thin and delicate branches of Kurrajong to depict manifestations of the mimih spirit.
