## Robina Pitjara Jones

Birth Year	1987
Language Group	Alyawarre
Region	Alice Springs

### Biography

Robinas' painting style demonstrates a deep connection to her country, her bushes and wild medicine flowers blend softly into the earth and the artist often employs a subdued and natural palette. Artists from Ampilatwatja often omit the sky from their compositions, allowing the viewer's eye to scan the landscape without a focal point, presenting two viewpoints of the country, combining an aerial and frontal view in the one composition.

The Artists of Ampilatwatja community was established in 1999 near Alice Springs in the Northern Territory. The work produced by the artists is recognisably distinct from other Aboriginal artistic communities, due to the application of fine dots and the often bright and child-like figurative depiction of the land.
