Biography

Yalti Napangati is the sister of Yukultji Napangati, the well-known artist who paints for Papunya Tula Artists and who is also a shareholder of the company. Yalti and Yukultji are members of the small group who did not have contact with Europeans until late in 1984, after meeting with people near Winparrku (Mt. Webb). Prior to this she had been living on the western side of Wilkinkarra (Lake Mackay).

Yalti now lives and paints in Kiwirrkura, along with her husband and their children. In 1999 Yalti contributed to the Kiwirrkura women's painting as part of the Western Desert Dialysis Appeal.
