

Short St. Gallery

Karen Kemarre Lewis

Born 1980
Language Alyawarre
Region Ampilatwatja

My paintings are of bush medicine. I learnt to paint from my mother Colleen Ngwarraye Morton. She showed where to collect the bush medicine and how to make up the tonics to treat sickness and skin conditions. I now show my children this knowledge so that it is not lost.

Group Exhibitions

2020 Talapi Gallery, Alice Springs
2019 Mwerr-angker Alpert (Pretty Flower) Brisbane
